

RECOMMENDATION LETTER FOR JULIE HUGHES

07/17/2026

To whom it may concern,

My name is Dustin Watson. I am writing this letter of recommendation for Julie Hughes. Julie has been an employee of mine at Scotlyn's Yard Landscaping, LLC off and on over the past 13 years. She currently is my office manager primarily bookkeeping but also taking on many other tasks assisting with employees, communications with clients, ordering products and scheduling.

Julie is honest, intelligent, and articulate. She is committed to the completion of every task she is faced with and doing so in a timely manner. Julie also has great writing skills. In addition to communicating with clients, she has assisted me with advertising, company newsletters and new employee applications.

Julie also has experience working in ministries and non-profit organizations, which has been very helpful for my company as she has been able to bring different skills and ideas to the table.

I strongly recommend Julie for a position as grant writer for your firm.

Sincerely,

Dustin Watson
